# Dear Parent/Carer,

Good News!

We have appointed a new School Administrator. Mr Sinnett, Ms Merchant (Chair of Governors) and I shortlisted and interviewed 4 candidates on Wednesday afternoon. They were all strong candidates with previous School Administration experience. The successful Candidate – Mrs S Thomas is currently working as an administrative officer in a primary school in the Vale. She will be starting as soon as she has worked her notice and I look forward to introducing her to you all shortly.

#### **YEAR 1 & 2**

This week Year 1 & 2 took part in an online workshop with the author Rachel Bright. The read the story 'The Whale Who Wanted More' and then got the chance to be illustrators themselves!

#### **SAFEGUARDING**

At school we receive a safeguarding newsletter which contains useful information we'd love to share with you. The topic this week was online safety at home:

### **Sharing pictures**

Using devices like phones and tablets to share pictures and videos can be a great way for children to have fun and stay in touch with friends and family. It's really important your child knows what's ok to share online and what they should check with you first.

# **Watching videos**

Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. YouTube Kids is a safer way for children to explore their interests. You can find more information about this on YouTube: what parents need to know.

Remember, primary-age children should be supervised at all times when online.

#### **CALLING ALL GREEN FINGERS!**

Our lovely garden is in need of some TLC! If any parents would like to volunteer to help us with some gardening during the day or after school, we would be extremely grateful. (Following Social distancing guidelines)

If you would like to volunteer please contact the school office.

Thank you!
